

Why Should I Enroll My Child in the Junior Program?

Because it's a great way for kids to CORRECTLY LEARN how to play golf that will lead to healthy, outdoor fun with other kids and family in their youth and then likely continue into their adult lives.

Our Golf Instruction helps develop hand-eye coordination, balance, strength, getting exercise and also learning about etiquette, honesty and respect for others. Also there are many junior events offered by the Connecticut Section of the PGA to help youngsters develop competitive skills that show an interest in doing so.

So parents, why not take advantage of our reasonably priced teaching program aimed at giving your child a great start in a wonderful sport and **sign-up today?**
