News You Can Use!

What the Heck is an ABCD?

Some time ago, the club ran a weekly 4 man scramble. The teams were different every week, and it was great fun. But, there was some discussion about uneven teams. But, we now have a secret method to form teams which should avoid the issue. It's really not all that secret; we simply make pairings based on handicap.

So, we will try 3 ABCD events this season. We hope to give you a chance to play with members you may not know. Remember, new partners make new friends!

Carolina Progressive?

It's not as complicated as it sounds. In your foursome, we will just take 1 net score on the par 5's; 2 net scores on the par 4's; and 3 net scores on the par 3's.

By-Law Change Vote

At our April 4th Kick Off meeting, you will vote on a proposal to change the term for Club Officers for a two year period as opposed to the present one year term. If this proposal is approved, the term of the current officers will be extended to cover 2018 and 2019, and the next election would take place in 2019. The by-laws would then be amended to reflect the change.

There's supposed to be a deluge of biblical proportions, but it doesn't happen!

The slow group in front of you quits after nine holes!

Your Dues

At our last Executive Board meeting, discussion centered on whether to raise our dues of \$35.

Our big expenditures come from food & drink at various events, i.e. Kick Off Night, etc. Last year, as a celebration of our 25th anniversary, we also paid for \$25 gift certificates to the restaurant, plus Charter Member trophies.

Our Treasurer pointed out that we still had \$1,000 in the bank to start 2018. This was deemed to be a prudent reserve.

Therefore, the board voted to keep our dues at \$35 for 2018.
